

Sports Premium Action Plan 2022 - 2025

Intended Outcomes:

Increase opportunities for physical education throughout the school day

Increase the profile of fitness and sports both within school and from outside, encourage children to want to be more active.

Ensure PE lessons throughout the school are high quality, follow our vision of increased Physical Activity for all and teacher confidence in delivery is high.

Broaden children's knowledge and experiences of different sports.

Increase opportunities to take part in competitive sports: within school and local competitions

Academic Year: 2022 -25	Total fund allocated: £18,200	Date Updated: Sept 2023		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school → Increase opportunities for physical education throughout the school day			Percentage of total allocation:	
			70%	
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<ul style="list-style-type: none"> To introduce more opportunities for children to be physically active across the school To increase additional opportunities for physical activity in classrooms To increase physical activity during lunchtime 	increase year round opportunities for activity on field Mile run track – rota for use	£17,850 (Half total this year, £10,500 SF, £7,350 DC)	A wide range of activities are available to all pupils to support a healthy physical and mental lifestyle	- Install Mile Run track on field Half payment this year
	deliver staff training on the benefits of daily physical activity and the types of exercise they could deliver			Survey children – what do they want?

	promote sporting attitudes – Bramley Values and sporting vision	£0	KS2 – Cross country	half termly House Sports games / allocation of the sports cup.
	seek opportunities for competitive sports for all ages	£0	Yr4: tennis, football (friendly and competitive)	Celebrated and promoted within assemblies as well as social media.
	develop the Bramley Mile competitive run and fun run	£0	Yr5/6: Rugby, netball, football, athletics	To include members from the local community
			Community involvement in the Mile run twice a year Covid affected	

Funding: £18,200

Planned Spending: £18,200

Actual Spend: update Sept 2023

Meeting national curriculum requirements for swimming and water safety.

Meeting national curriculum requirements for swimming and water safety.

N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can transfer to the pool when school swimming restarts.

Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study.

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?

N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024.

Please see note above.

75%

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?

Please see note above.

55%

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?

37%

Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

No
